

Imaginative, innovative, and international – with its 3,800 employees and 30,000 students, the University of Graz provides an exciting and varied work environment. Due to our research and teaching competence we are a central institution for guaranteeing that Styria remains a research and education location.

The Department of Physics at the Faculty of Natural Sciences is seeking to appoint a

**Professor of Theoretical Physics (non-perturbative Quantum Field Theory)**

(40 hours per week; fixed-term employment for 6 years (tenure track) according to the Austrian Law on Salaried Employment (AngG); Expected starting date 01 October 2014 )

**Research and teaching responsibilities and focuses:**

The successful candidate is an internationally renowned researcher with outstanding achievements in at least one area of non-perturbative Quantum Field Theory such as functional methods, lattice field theories or effective quantum field theories. He/she has the necessary leadership experience to initiate and head a successful research program. In addition, international research experience and successful attraction of competitive research grant funding are expected. Participation in and a suitable research portfolio for the current doctoral program "Hadrons in Vacuum, Nuclei and Stars" is a prerequisite. He/she is a driving force in the acquisition of research grants, as well as in the continuation and expansion of international cooperations. In his/her teaching, the successful candidate is expected to cover the field of Theoretical Physics at the undergraduate and graduate levels.

**Requirements for employment:**

- Completion of an appropriate university degree at a university in Austria or abroad
- Excellent scientific qualification established by an outstanding publication record in the area of non-perturbative Quantum Field Theory
- Pedagogical aptitude for teaching at a university
- Leadership abilities
- Relevant experience abroad

We also expect competence in the field of gender mainstreaming.

**Classification:**

Salary scheme of the Universitäten-KV (University Collective Agreement): A1

**Minimum salary:**

The minimum salary according to the classification scheme of the collective agreement is EUR 4601.20 gross per month. Salary subject to negotiation.

Application deadline: **28 August 2013**

Reference number: **PR/30/99 ex 2012/13**

The University of Graz is striving to increase the number of women, particularly in executive positions, and thus explicitly encourages qualified women to apply. In case of equal qualifications, women will receive priority consideration.

If you are interested, please submit your application documents in accordance with the general application guidelines (which can be found at <http://jobs.uni-graz.at/en/Berufungsverfahren>) within the deadline. Your application documents should include the reference number of the position and be sent to:

Karl-Franzens-Universität Graz  
Personalressort  
Universitätsplatz 3  
8010 Graz
